LA CIMBALI
ITALIAN EXCELLENCE SINCE 1912
COFFEE MACHINES

The world's best way
to make coffee

 THE MIDDLEBY CORPORATION

La Cimbali has been a front-runner in the development of espresso and cappuccino culture for decades. The group operates in more than 100 countries and distributes its products exclusively through Celfrost in India. It has even launched a special single group traditional coffee machine "Celfrost Professional" for the Indian market.

Cimbali products are patronized by Barista Lavazza, Coffee Beans & Tea Leaf Company and many more names in the hotel & hospitality industry.

Cimbali machines are extraordinarily reliable and all over the world you will find baristas who will testify to the long life of their Cimbali. The Cimbali product range includes traditional and superautomatic espresso coffee machines, coffee beans grinders and accessories.

Superautomatic Machines

M1 MilkPrecisionSystem

- 2x8 drink selections (2x thanks to the shift button)
- Smart Boiler technology (patented)
- Cappuccino System with MilkPS
- 1 standard steam wand
- 1 hot water wand
- 1 hot water selection
- Graphic display
- 2 hoppers
- Recommended daily output 150 cups

Productivity per hour																								
Espresso cups	Cappuccino cups (350cc)	Hot water output (litres - 500cc quantities)	Liquid heating (litres - 500cc quantities)

Traditional Machines

M24 PLUS DT/2

*This replaces the earlier model of M22 Plus

- 4 selections with programmable shot dosing, each equipped with a LED and one continuous delivery/stop push button
- 2 stainless steel multidirectional steam wands
- 1 stainless steel hot water wand
- Electrical cup warmer
- Stainless steel and black metal body
- 240 cups/hour

Boiler capacity (litres)	Dimensions (mm)			Weight (kg)	Voltage (50-60Hz)	Power (W)	Phase
	W	D	H				
10	770	510	495	70	380-415V3N~	4200-4800	Three

M29 SELECTRON

- 2, 3 groups
- Electronic programming of coffee and hot water dosage
- Turbosteam (patented) optional in place of the right standard steam wand
- 2 standard steam wands
- 1 hot water wand
- 2 hot water selections
- Stainless steel and metallic black metal body
- Also available in the semiautomatic version

Also available in the tall cup version
