MC-1500D	Sliding	1500 x 600 x 1800	0 to 4	Adjustable	LED	Digital Controller

**In accordance with Stellar's policy of continuous improvements, product specifications are likely to change without prior notice. Picture is not contractual.*

Standard Features

- Uniform temperature on each shelf.
- Adjustable shelving.
- Choice of light colours to enhance your food display.
- Available on 4, 5 and 6 feet.
- Temperature range: +0°C to +4°C.
- Less power consumption as compare to other multideck chillers.
- Option available on single / dual compressor.
- Multideck chiller with sliding doors.

Ice Cubers

Stellar Undercounter Ice Cubers are compact units saving precious space. The air cooled units are energy efficient and suitable for fast ice production and incorporate R404a refrigerant, all stainless steel structure and electromechanical controls.

Undercounter Ice Cubers

Model	Capacity (Kgs/Day)	Size (mm) (wxdxh)	Electrical Rating (Kw/V/Ph)
SIC - 30	30	460 X 585 X 690	0.340 / 220 / 1
SIC - 50	50	540 X 540 X 920	0.420 / 220 / 1
SIC - 90	90	715 X 540 X 1020	0.680 / 220 / 1

Modular Ice Cubers

SIC - 220	220	560 X 840 X 1630	1.38 / 220 / 1
SIC - 330	330	770 X 840 X 1630	1.25 / 220 / 1

Ice Flakers

SIF - 80	90	565 X 600 X 700	0.380 / 220 / 1
SIF - 125	120	675 X 510 X 1000	0.470 / 220 / 1
SIF - 200	200	560 X 535 X 540	0.750 / 220 / 1

*SIF 80 and SIF 125 are with bin and SIF 200 is modular.

Ice Bins

Stellar Ice Bins are ideally designed for hygienic storage of ice with in situ foam insulation and covered corners.

Model	Capacity (Kgs)	Size (mm) (wxdxh)
SIB - 105	130	560 X 1040 X 1040
SD - 310	210	1070 X 790 X 980

Frost Top

Drop in frost tops from Stellar are ideal for versatile display of desserts or cold food on a buffet counter, grab & go counter or QSR serving counter. Finished in ss with drip less edges and efficient refrigeration system, these units are extremely popular. Available in custom sizes.

Open Beverage Coolers

Stellar open beverage coolers are reliable and cost effective solution for stocking beverages at perfect temperatures for self service. Available in 900, 1200 and 1500 mm width.

Chest Freezers

Stellar Chest Freezers are economical yet effective solution for storage of perishable foods. These units come with 60 mm PUF insulation and stainless steel construction.

Model	Door	Capacity (Ltrs.)	Size (mm) (wxdxh)	Electrical Rating (Kw/V/Ph)
CHF 300 B	Single	292	1004 X 725 X 845	0.210 / 230 / 1
CHF 500 B	Two	471	1640 X 620 X 1020	0.350 / 230 / 1
GT 500 A	Glass Top	415	1515 X 670 X 889	0.300 / 230 / 1

Salient Features of Stellar Refrigerators

- ◆ Heavy duty rugged Heat exchangers.
- ◆ Silent units with acceptable decibel level.
- ◆ Uniform temperature in cavity.
- ◆ Higher usable volume compared to competition.
- ◆ Optimum capacity evaporator for faster recovery of temperature.
- ◆ Lower power consumption.

Cold Rooms

Stellar Cold Rooms are constructed from modular puf panels. Each panel is interlocked securely to adjacent panels with the cam lock arrangement incorporating tongue & groove. Standard panels are finished in a white corrosion resistant pre coated sheet or PVC laminate film on galvanized steel panels. AISI 304 grade SS finish is also available as a standard. Cold Room panels are insulated with in-situ polyurethane foam injected using high pressure technology. Hinged doors can stay open at 120°. The doors are designed to be self-closing . Flooring is offered in Altro, tiling or kota stone. The cold rooms incorporate the latest technology and come with most efficient & calibrated refrigeration systems.

Stellar Gastronom is the leading solution provider for refrigeration needs of commercial food & beverage operations. Stellar offers pre sale expert advice, widest range of commercial refrigeration products and comprehensive post sale services to hospitality segment. We work closely with our customers who include major restaurant chains, independent restaurant operators, hotels, corporate cafeterias, institutional kitchens, hospitals, entertainment venues etc.

Why Stellar Gastronom?

► Solid Experience

We have been in this business since 1990 working as partners of a number of Indian and International hotel/restaurant chains which has enabled us understand the operational needs of our customers, develop new designs and conduct real time trials in hundreds of prestigious kitchens.

► Competence

We have a great team of professionals consisting of engineers and F&B professionals who take charge of projects and work out most suitable designs and ensure timely deliveries as well as efficient pre/post sale services.

► Quality

We work with some of the most trusted brands in cooling and climate control technologies. The capabilities of these world leaders; Danfoss, Emerson, Tecumseh, Dixell, Carel, Llyod's are brought together in our products.

► Reliability

We offer a comprehensive range of innovative and highly reliable products from upright cabinets, counters, cold rooms through display cabinets, wine chillers and ice makers to blast freezers which are guaranteed to perform even in the most severe conditions.

Upright Chillers

UC 600 HD

UC 1300 HD

UCG 600 HD

Upright Chillers (+2°C to +4°C) and Freezers (-22°C to -18°C) are used in commercial places such as hotels, restaurants, QSR's and cafeterias across the country. These chillers/freezers come with generous cabinet volumes and excellent cooling efficiency which considerably reduces running cost. These are extremely reliable and backed by prompt service at local level and all this at very attractive prices.
